EXPERIENCE

Arrow Electronics   **2/2018-2/2019**
Inside Sales Representative
- Effectively communicated pain points in process flow, both customer facing and internally to director-level management.
- Served as the voice of all Internal Sales Representatives in North America on a task force addressing complex systemic issues adversely affecting sales and distribution of power supply products.

GoldenbergLaw, PLLC **11/2015-9/2017**
Marketing Director
- Managed and implemented the $100,000+ redesign of the firm website while maintaining the existing website.
- Established effective working relationships among all disciplines and stakeholders invested in the firm's website redesign.
- Planned, designed, and implemented all print and digital marketing and advertising campaigns
- Prepared effective monthly reports ensuring all projects were kept on task, on time, and within budget.
- Designed all marketing and advertising materials, establishing a new brand identity for the firm.
- Coordinated photo shoots with local photographers to reflect our rebranded image across all communication platforms.
